UPS Hire & Rentals

Part No.

Product Description

Adept Power Solutions can offer standalone or rack mount UPS for short-term or long-term hire from 1Kva up to 40Kva. Uninterruptible Power Supplies (UPS) can be hired to assist with your project or business circumstances and APS can install and commission your hire unit as required.

Whether you have a damaged UPS with spare parts on a long-lead time or a new UPS is not commercially viable we can provide a hire solution to suit your needs. APS can provide the UPS rental you need from stock in Andover from a wide range of UPS manufacturers and the UPS are tested regularly ensuring they are in perfect working condition.

We can also de-commission, remove and dispose of any old or damaged UPS units and their batteries prior to installing your hire unit.
